In the event that any amount due hereunder shall remain unpaid for a period of thirty days, Goodsell Point Marina shall be entitled to pursue all remedies available to it including enforcement of the lien granted by M.G.L. Chapter 255, Sections 14 and 14A. If the Marina shall employ an attorney to collect any balance due hereunder, including any actions upon liens against the Vessel, reasonable attorneys' fees shall be paid by the Owner as part of the damages of the Marina in addition to any other balances due for principle and service charges.

15. The breach of any term or condition hereunder or any rule or regulation of Goodsell Point Marina shall constitute a default and entitle the Marina to demand the immediate removal of the boat. If the Owner does not cause the boat to be removed within five business days of demand, Goodsell Point Marina shall be entitled to remove the boat to another location at the Owner's expense. Goodsell Point Marina shall be entitled to retain any and all payments received in advance from the Owner in full and shall be entitled to any other remedies available to the Marina as liquidated damages. The Owner shall be liable for all reasonable attorneys' fees incurred by the Marina as part of Marina's damages.
16. The Marina reserves the right to move any and all boats to any other docking area within the Marina without notice. Further, all docking privileges may be rescinded with or without cause and Owner's boat will be removed from the water immediately by the Owner or Marina.
17. Abandonment Clause. The Marina is to have no responsibility to provide space for, maintain, or obligation of any kind toward this boat on any date after the rental period has expired. It is entirely the Owner's obligation to see that this boat is removed from the Marina premises on or before the expiration of the Rental period. In such case as the boat is still here after the expiration of the Rental period, the owner will be contacted by mail at his address as given on this contract. The Owner will have fifteen (15) days from the date of mailing to remove the boat and it is agreed that the boat may thereafter be disposed of in any further way that the Marina sees fit. The cost of such disposal will be billed to the Owner and must immediately be paid. All values in salvage or sale of the boat or any of its parts shall become the property of the Marina. The owner further waives any requirement of statute law, or rule of court, that prior notice be given as condition of arrest of the Vessel pursuant to any in rem action which the Marina brings and stipulates and agrees that the Marina shall be entitled to be appointed custodian of the Vessel and to keep the Vessel for such purposes at its own facilities in the State of Connecticut, subject to the usual and customary expenses for similar services pending a final determination of such litigation. Owner is responsible for all reasonable attorneys' fees incurred by Marina due to Abandonment.
18. The Marina shall have no obligation, financially or otherwise, to reimburse fees to the Owner if Owner removes the vessel or otherwise wishes to discontinue membership after the date of this contract's commencement, for reasons including, but not limited to, sale of Owner's vessel, financial hardship, personal issues, etc.
